She fits the description of all those things she despises all over. ... Fine reporting it to the mods to keep an eye out, but no public mudslinging. ... But it isn't her fault, she's fallen in with a crowd she thinks is more colorful and down-to-Earth.. Mods,. Teddy. Boys,. and. Hooligans. The Who was a Performance Art Troupe. ... I list them in the top five rock bands of all time—we all know the list, even when ... Pete says that these bands were fashioned after the groups kids had fallen into ...
